

# Sample Deputized Support-Raising Gift Response Form Version A

Communication up front to donors on how their gift will be used is just as important as providing charitable acknowledgements after the gift is received.

The following sample response form provides language that makes it clear the giver's intent is to benefit the ministry and not the individual deputized worker.

We believe in the work of Missions International and are sending our gift of \$\_\_\_\_\_.

We would like our gift to help support the ministry of Bill and Nancy Jones in Sumy, Ukraine. We understand that the use of the gift is subject to the discretion and control of Missions International.

Giver(s):

Jim and René Gilfouile  
285 Shortridge Road  
Indianapolis, IN 46218

These paragraphs make it clear that the giver's intent is to benefit the ministry. Their financial support of Bill and Nancy Jones is simply a desire.
